

2nd Annual Research Poster Competition at the ASCE Texas Student Symposium

All abstracts must be submitted to office@texasce.org by April 2, 2019 at 11:30 AM CST. Please include "2019 Research Poster Competition" in the subject line.

Presentations will be evaluated by professional engineers and cash prizes will be awarded.

Eligibility

- Current ASCE Undergraduate and Graduate Students
- Posters based on any basic or applied engineering research conducted by the student as part of his/her education
- Poster presentations may contain information that has been presented at other regional or national meetings
- Poster presentations cannot contain material previously used in this competition

Abstract

- Abstracts are limited to 250 words and should contain a brief description of the research
- PLEASE NOTE: Abstracts should be written for a non-specialized audience due to the interdisciplinary nature of the competition

Poster

- Two 36" x 48" posters mounted to foam core or rigid poster board.
- Presenter must be present
