

ENGINEERS WEEK

FEBRUARY 19 - 23

2019

INVENT AMAZING

February 19-22 | 10:00 AM -2:00 PM

February 23 | 11:00 AM-5:00 PM

Engineering opportunities abound as you engage in hands-on and mind-challenging activities throughout the Museum. Invent, design, test and improve your ideas while you collaborate with area engineers and explore fascinating fields of engineering.

SCHOOL FIELD TRIPS

(2nd grade and above)

School groups of 15 or more can book field trips in advance by calling **817-255-9440**.

Book your field trip online at fortworthmuseum.org/planning-your-visit

SPECIAL HOMESCHOOL HOURS

(2nd grade and above)

An activity packed afternoon for homeschool educators and children will be offered on **Thursday, February 21** from 1:30 to 4 p.m.

GIRLS AND ENGINEERING DAY | Saturday February 23 12 - 4pm

Join us for special activities, created with girls in mind! Go online for more details.
