

Support the Symposium

HOSTED BY UT ARLINGTON ASCE STUDENT CHAPTER | MARCH 4-7, 2020 | ARLINGTON

Symposium@TexASCE.org | TexASCE.org/StudentSymposium

ABOUT THE SYMPOSIUM

ASCE Texas Section's Student Symposium connects engineering professionals and university students. The Symposium is home to the Texas-Mexico Student Conference's Concrete Canoe and Blue Sky competitions, Research Poster and Technical Paper competitions, a career fair with 400 student attendees, and professional and soft skills seminars.

The Symposium Career Fair is an opportunity for employers to meet with students from universities from across Texas and Mexico in one place. The students participating in ASCE are some of the brightest civil engineering minds engaged in leadership, teamwork, and professionalism.

Hosted by The University of Texas at Arlington ASCE Student Chapter, the theme for the 2020 Student Symposium is "La Union es La Fuerza: Unity is Strength." We are seeking corporate sponsors to defray the cost of the events and to keep the Symposium affordable for the student attendees. Sponsors of this event will gain brand recognition, community engagement, networking opportunities, and potential employees.
