

ASCE Texas Section is seeking outstanding civil engineers to join our **Board of Direction** for the September 2021 to September 2022 term. Board members are responsible for the supervision, control, and direction of the Texas Section. They manage the affairs of the Texas Section in accordance with the provisions in our Constitution and Bylaws. Board position descriptions are available online at www.texasce.org/resources/volunteer/

We are seeking individuals with some of the following attributes:

- Interested in advancing Texas Section's mission & Civil Engineering industry
- Strong Strategic Thinker
- Possess strong problem-solving abilities
- Possess strong decision-making skills
- Proactive and results oriented
- Visionary and creative thinker
- Demonstrate high integrity
- Value teamwork and open-mindedness
- Connected to resources
- Possess historical perspective in both industry & ASCE
- Commitment to participate
- Possess prior non-profit board experience
- Possess prior Branch leadership experience
- Recognize fiduciary responsibility to Texas Section

Board members gain:

- Sharpened leadership skills through working with diverse groups of civil engineers to accomplish tasks & initiatives
- Strengthened professional relationships through shared experience as part of a team
- Appreciation of the perspectives of civil engineers in other geographic areas of Texas
- Experience finding common groups & building consensus, guided by Roberts Rules of Order

Know someone who is ready to volunteer to ensure Texas civil engineers are leaders in their communities?

Submit a nomination through your Branch today!

Instructions: Submit the completed form to Nominating Committee Chair and Past President Audra Morse PhD, PE at anmorse@mtu.edu by October 31st. Please include a short biography of the candidate (300 words max.) and a current headshot (high-res file in .jpg or .png format).
