

The background of the poster is a photograph of a tall, layered rock formation, likely a butte or mesa, in a desert landscape. The rock is reddish-brown with distinct horizontal strata. The sky is a clear, bright blue with a few wispy clouds. The foreground shows a rocky, eroded desert floor with some sparse green vegetation.

ASCE Region 6 Student Symposium

April 12-15, 2023

Amarillo Tri State Exposition

Hosted by the ASCE Student Chapters of West Texas A&M & Texas Tech

Dear ASCE Student Chapters of the ASCE Region 6 Student Conference:

This is your 2023 2nd Annual ASCE Region 6 Student Symposium Pre-Mailer, the first of four packets to be sent to each of the participating schools. Please read carefully through this packet and forward copies to the appropriate members of your student chapter.

The intent of this pre-mailer is to determine which student chapters plan to participate in the 2023 Region 6 Student Symposium and in which events each student chapter plans to compete. This will allow the host to decide which competitions are most desired. Student chapters can expect three additional mailers with further details regarding schedule, finalized competition list, location, and registration details. Enclosed you will find the following:

- Receipt Confirmation form
- Regional Competition Rules and Contacts
- Eligibility Requirements

Receipt of this mailer should be confirmed by emailing the enclosed "Receipt Confirmation" form by **October 31, 2022**. **Please email those forms to Region6Symposium@gmail.com.**

If you have any questions, feel free to contact us at **Region6Symposium@gmail.com**. All questions and answers concerning the events, rules, etc. will be posted on the event [website](#).

We will do everything possible to answer your questions in a timely manner, but please be patient. We look forward to your participation in the 2023 2nd Annual ASCE Region 6 Symposium and to an engaging event.

Sincerely,

Noah Kendall

2022-23 President | West Texas A&M University ASCE Student Chapter

Receipt Confirmation

Email to: Region6Symposium@gmail.com by **October 31, 2022**. Please copy office@texasce.org.

Please print or type!

As for the subject line, please use "Receipt Confirmation [student chapter name]"

School Name: _____

Chapter Email: _____

Faculty Advisor's Name: _____

Faculty Advisor's Phone Number: _____

Faculty Advisor's Email Address: _____

Student Contact's (i.e. Chapter President or designate) Name: _____

Student Contact's Phone Number: _____

Student Contact's Email Address: _____

Note: *The student listed above will be the primary recipient of future mailers. It will be this student's responsibility to ensure the information is distributed within the school's student chapter.*

Which events does your chapter plan on competing in?

(Intention to compete does not register a team nor does it ensure the competition will be held. The goal is to choose which competitions will be hosted depending on the amount of interest received from the student chapters.)

Society-wide Competitions:

- ASCE Sustainable Solutions
- ASCE Innovation Contest
- ASCE UESI Surveying
- Concrete Canoe
- Steel Bridge
- Student Paper Competition
- Timber-Strong Design Build

Regional Competitions:

- Concrete Frisbee
- Concrete Bowling
- Mystery Design

This confirms that we have received Pre-Mailer regarding the 2023 ASCE Region 6 Student Symposium.

Eligibility Requirements for Society-wide Competitions

The following qualifications are required of all ASCE Student Chapters in order to advance to the ASCE Society-wide Competition Finals.

An ASCE Student Chapter must:

1. Be in good standing with ASCE:
 - a. Have paid their annual dues, as received by ASCE, prior to the start of the Student Symposium; and
 - b. Have submitted their student chapter full Annual Report **no later than February 1, 11:49 p.m.** EST, and have received a minimum score of 40 points out of a possible 100. Student Chapters that submit an EZ annual reporting form do not qualify; and
 - c. Act appropriately. As representatives of ASCE and the civil engineering profession, all competition and symposium participants are expected to and must act professionally and courteously. The use of alcohol, marijuana, or other controlled substance is strictly prohibited.

Note: Invitations to Symposium and Society-wide Competitions are a privilege, not a right. Failure to act appropriately can result in letters of reprimand, mandatory behavior management plans, and loss of invitations to further competition for individual institutions and/or entire conferences.

2. Attend and participate in their assigned Student Symposium as shown through their school's:
 - a. Good faith participation in the Student Conference Business Meeting as a component of the Student Symposium. At least one (1) student representative present at the start of the Business Meeting;
 - b. Good faith participation in the Student Symposium Paper Competition, including submission and presentation by at least one (1) member of the ASCE Student Chapter. Note that any papers/presentations created for any other competition do not count as an entry into the Student Symposium Paper Competition.
