ASCE REGION 6 | STUDENT SYMPOSIUM 2024

2024 ASCE Region 6 Student Symposium

April 10 - 13
San Angelo, TX

Hosted by the ASCE Student Chapter of
Angelo State University

Howdy ASCE Region 6 Student Chapters:

It is our honor and privilege to host the 2024 3rd Annual ASCE Region 6 Student Symposium, *Green-Printing the Concho*, to be held April 10-13, 2024 at the Angelo State University Junell Center in San Angelo, Texas. We are excited to see you there!

This document will serve as your 2024 ASCE Region 6 Student Symposium Mailer 1, the first of three informational packets to be sent to each of the participating ASCE Student Chapters in our student conference.

Please read carefully through this packet and forward copies to the appropriate members of your student chapter. Keep a copy of this mailer, as the information given within may not be repeated in subsequent mailers. Student chapters can expect two additional mailers with more information regarding the schedule, the finalized competition list, location, and registration details. Enclosed you will find the following:

- [Mailer 1 Receipt Confirmation Form](#) (Page 3)
- [Eligibility Requirements for ASCE Competitions](#) (Page 5)
- [Competition Rules and Resources](#) (Page 6)
- [Upcoming Deadlines](#) (Page 7)
- [Registration Information](#) (Page 9)
- [Preliminary Schedule](#) (Page 10)
- [Hotel Information](#) (Page 11)

Receipt of this mailer should be confirmed by emailing the enclosed “Receipt Confirmation” form (Page 3) by **Friday, November 3, 2023**. Please email the completed form to Region6Symposium@gmail.com and copy Office@TexASCE.org.

If you have any questions, please contact us at Region6Symposium@gmail.com. All questions and answers concerning the events, rules, etc. will be posted on the event [website](#).

We will do everything possible to answer your questions in a timely manner. We look forward to your participation in the 2024 ASCE Region 6 Student Symposium and to an engaging event.

Sincerely,
Kori Kirk
President | Angelo State University ASCE Student Chapter

Student Paper Competition

Participation in the ASCE Student Symposium Paper Competition is required to advance to any other Society-wide competition finals. Competitions requiring this include: ASCE Concrete Canoe Competition, ASCE Sustainable Solutions Competition, ASCE UESI Surveying Competition, and AISC/ASCE Student Steel Bridge Competition. Reference eligibility requirements for more details.

This topic is the same topic as the [Daniel W. Mead Prize for Students](#), or any meaningful presentation on a technical subject relating to the practice of civil engineering. Please note that the Daniel W. Mead Paper Competition is separate from the Student Symposium Paper Competition and must be submitted separately. **The ASCE Region 6 Student Symposium Paper Competition paper is due by 11:59 PM CST on March 7, 2024.**

Each student chapter of the Region 6 Student Conference is entitled to one entry in the Competition. Responsibility for procedures by which contestants are selected to represent each individual chapter will rest with the respective chapter faculty advisor. **One electronic copy of the paper must be submitted to the Student Activities Competition Coordinator prior to the competition. This entry shall be uploaded to the appropriate school's folder in the link below. In order to meet eligibility requirements, the paper must be submitted and presented.** The file name shall read: School Name_ Paper Title_ Author.pdf.

Student Steel Bridge Competition Participation Form

If your student chapter plans to compete in the Student Steel Bridge Competition, please complete the [Student Steel Bridge Competition – ASCE Student Chapter Participation Form](#) by November 3, 2023. Completing this form is necessary in order to receive your SSBC stipend. Note that at the end of this form, you will be asked to upload the SSBC Intent and Eligibility Acknowledgement form. This form can be found at on the [ASCE Website](#).

Information you will need to complete the participation form: SSBC Faculty Advisor name and email address, team captain name and email address, school mailing address for stipend and awards.

ASCE Society-wide Competition Eligibility Requirements

Competitions that advance to an ASCE Society-wide Competitions Finals include: ASCE Concrete Canoe Competition, ASCE Sustainable Solutions Competition, and ASCE UESI Surveying Competition. The AISC/ASCE Student Steel Bridge Competition advances to the SSBC National Finals and follows the eligibility requirements below. See [SSBC Rules](#) for more information.

Invitations to Student Symposia and ASCE Student Civil Engineering Championships/Society-wide Competition Finals are a privilege, not a right. Failure to act professionally can result in letters of reprimand, mandatory behavior management plans, and loss of invitations to further competition for individual institutions and/or entire conferences. Please note that the requirements for eligibility for Society-wide competition finals are more stringent than the requirements for participation at the student symposia competitions.
